

Important Update COVID-19 VH Steels Pty Ltd - Open for Business

VH Steels are committed in adhering to the strict Government actions regarding COVID-19 and also offering our customers on-going supply of **Chrome Bar & Cylinder Tube**.

The Government has advised that Australian businesses remain essential across all aspects of economic sectors. They have advised all businesses that have not been stood down, should continue operations with appropriate social distancing and an appropriate COVID-19 Response Plan and management protocols in place.

VH Steels will monitor the updates on this situation, and continue to operate based on the Government & experts advice.

Rest assure, VH Steels are still operating in a business as 'usual' manner, and our commitment to availability & service has not been stifled.

Call us any time for all your chrome bar & cylinder tube needs, and expect the high degree of service that you've come to expect from VH Steels.
